Students attending Nashua Public Schools must be legal residents of the City. Legal residence can be verified by producing two current utility bills and any other documentation deemed necessary by the administration. If a student moves out of Nashua during the school year and wishes to continue attending school in Nashua, the School District must be notified by the student's parents and/or by the student if over the age of 18. If space is available, students will be allowed to remain in the Nashua School District at a prorated tuition. Families who do not reside in Nashua, or move out of Nashua, but send their children to Nashua Public Schools without giving proper notification to the School District and receiving written permission for their child's enrollment in the Nashua Public Schools, will be assessed the cost of tuition for the period of time in question and may face appropriate civil and criminal sanctions.

**Nashua School District
Home Language Survey**

Dear Parents or Guardian: Federal mandates require that we ask parents to complete a Home Language Survey to identify and provide services for limited English proficient students. In order to provide your child with the best possible education, we need to determine how well he or she understands, speaks, reads and writes in English, as well as prior school and personal history. We greatly appreciate your assistance in answering these questions.
