Gradual Return to Learn Protocol (RTL)

To initiate the RTL Protocol the student must provide written documentation of the diagnosed concussion from a Health Care Professional to the school. Each student's journey through the RTL protocol is individualized. Each student's symptoms should only be compared to his/her own prior to the concussion and not to other students. Not all diagnosed concussions require academic accommodations. The RTL Protocol is an option for those students who need the gradual return to a full academic load.
