4E89'4E2EN,:

Attach a written application essay that is at least 2-3 pages long that includes this information. Check off these questions as you include your answers to them in your application essay)

- What community need will your project fulfill? (e.g. help out, etc.)
- Will you be working with a community agency? Provide its name and location.
- How many hours will you volunteer each week?
- What days will you volunteer each week?
- How will you sign your daily log each time you volunteer? List the person's name and title.
- How will your service be aligned with competencies and how will it be assessed/evaluated?

\*+ Please attach a letter from the agency supervisor that has this information:

- A statement that they agree to supervise you and accept all liability for you when you are completing this service project.
- A description of what duties will you perform when you are working on this project.
- A statement of when your project begins and when it will be completed.
